VS.

CASE NO. 15-50061

JULIAN RIVERA

DEFENDANT

**MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION**

Pursuant to the provisions of 28 U.S.C. § 636(b)(1) and (3), Local Rule 72.1 ¶ XII, and General Order No. 40, this matter was referred to the undersigned for the purposes of conducting a plea hearing pursuant to Rule 11 of the Federal Rules of Criminal Procedure. Such a hearing was conducted on December 11, 2015, and, pursuant to a written plea agreement, the Defendant, Julian Rivera, entered a plea of guilty to Count One of the Indictment, charging him with production of child pornography, in violation of 18 U.S.C. § 2251(a) and (e), and Count Three of the Indictment, charging him with possession of child pornography, in violation of 18 U.S.C. § 2252A(a)(5)(B) and (b)(2). The plea agreement states that if it is accepted by the Court, once the Court has pronounced sentence, the Government will move to dismiss Count Two of the Indictment. The plea agreement further provides that the Defendant agrees to forfeit certain assets to the Government and consents to the entry of an order of forfeiture for such assets. After conducting the hearing in the form and manner prescribed by Rule 11, the undersigned finds:

1. The Defendant, after consultation with his counsel, has

knowingly and voluntarily consented, both in writing in the plea agreement and on the record at the hearing, to the entry of his guilty plea before the undersigned, with the plea being subject to final approval by United States District Judge Timothy L. Brooks.

2. The Defendant and the Government have entered into a written plea agreement which has been disclosed in open court pursuant to Rule 11(c)(2), and the undersigned has directed that the plea agreement be filed.

3. The Defendant is fully competent and capable of entering an informed plea; the Defendant is aware of the nature of the charges, the applicable maximum penalties, and the consequences of the plea; the Defendant is fully satisfied with his counsel and has had sufficient time to consult with him; and the plea of guilty is a knowing and voluntary plea supported by an independent basis in fact containing each of the essential elements of the offenses.

4. The Defendant understands his constitutional and statutory rights and wishes to waive these rights.

5. The parties were informed, both in writing in the plea agreement and on the record at the hearing, of their right to file written objections within fourteen (14) days after receipt of this Report and Recommendation. To expedite acceptance of the guilty plea, the parties waived, both on the record and in writing in the plea agreement, their right to file objections.

Based on the foregoing, the undersigned recommends that the guilty plea be accepted and that the written plea agreement be tentatively approved, subject to final approval at sentencing.

DATED this 11th day of December, 2015.
